

WEEKLY UPDATE & HAPPY EASTER!

4/2/2021

Dear Residents and Families/Representatives,

It is hard to believe that it has been over a year since COVID-19 changed all of our lives so drastically. From being forced to restrict visitors and change the way our residents communicate with their loved ones to making changes in our infection prevention and control practices, everything we have done and continue to do is an effort to keep our staff and residents safe. We want to thank our staff for their unwavering dedication to our residents and we want to thank our families for their continued support and patience as we continue to navigate this pandemic.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.
